### Who We Are

Since 1994, **Baran Plast** has been serving the automotive aftermarket industry as a reliable manufacturer of high-quality spare parts and chrome accessories. Operating in an 8,000 m<sup>2</sup> production facility with a team of over 50 employees, we are committed to delivering excellence at every stage of our operations.

### What We Produce

**With over 500 plastic spare part references and more than 200 chrome accessory models produced in-house**, we offer a wide and diverse product range that meets the evolving needs of our customers.

### Exporter Baran Plast

In addition to our own production, **Baran Plast Export Department** adopts a customer-focused approach through a unique sourcing system. By partnering with trusted Turkish manufacturers, we provide our clients with access to a broad range of products — all from a single, reliable supplier. This streamlines the sourcing process, saving both time and effort.

### Where We Export

Baran Plast currently exports to numerous countries across **Africa, Europe and South America**, continuing to grow through strong, long-term business relationships.

### Our Mission and Vision

To deliver high quality products and services while prioritizing long-term customer satisfaction and building strong international partnerships.

To become a globally recognized supplier in the automotive aftermarket industry by continuously expanding our product range, strengthening international partnerships and delivering innovative, high-quality solutions that exceed customer expectations.
