Who We Are

Since 1994, **Baran Plast** has been serving the automotive aftermarket industry as a reliable manufacturer of high-quality spare parts and chrome accessories. Operating in an 8,000 m² production facility with a team of over 50 employees, we are committed to delivering excellence at every stage of our operations.

What We Produce

With over 500 plastic spare part references and more than 200 chrome accessory models produced in-house, we offer a wide and diverse product range that meets the evolving needs of our customers.

Exporter Baran Plast

In addition to our own production, **Baran Plast Export Department** adopts a customer-focused approach through a unique sourcing system. By partnering with trusted Turkish manufacturers, we provide our clients with access to a broad range of products — all from a single, reliable supplier. This streamlines the sourcing process, saving both time and effort.

Where We Export

Baran Plast currently exports to numerous countries across **Africa, Europe and South America**, continuing to grow through strong, long-term business relationships.

Our Mission and Vision

To deliver high quality products and services while prioritizing long-term customer satisfaction and building strong international partnerships.

To become a globally recognized supplier in the automotive aftermarket industry by continuously expanding our product range, strengthening international partnerships and delivering innovative, high-quality solutions that exceed customer expectations.
